Use the tool to discern personalized realistic time frames and requirements for purchase of property

# You are below your preference goal...

Here's what you can do to get on track!

Set a savings goal...

But make sure its SMART:

*Specific, Measurable, Achievable, Realistic, and Timely*

Weekly income

Weekly spendings

Goal Date

Deposit %

Desired price

## Use the Future Homes tool...

Make sure you adjust the parameters like weekly spendings and weekly income. Increment them slowly as small consistent changes can have a large effect on your future finances!

Because you are below your goal, try moving the goal date back

## Balance your 'wants' and 'needs'

*Dont give up on your wants!!!*

We all need to reward ourselves for the hard work we do. Use discounts when it comes to your wants in order to keep your spendings low
